No. UETT/*DR ASR/TD/321*

Dated: 23-11-15

NOTICE

It is for information of all Ph.D. Scholars of 2011 Session that their Ph.D. has entered in risk time zone, if they have not published the research paper uptill now. No extension beyond their degree time of 5 years will be granted at all. They must expedite their research work and start working full time.

The scholars must publish/get accepted the research paper latest by Feb. 2016. Their thesis must be submitted for foreign review latest by March, because at least 6 months are required for foreign evaluation and oral examination.

Prof. Dr. Abdul Razzaq Ghumman
**Director ASR&TD/
Dean Faculty of C&EE**
