

## *COMMUNITY SERVICES*

### *ASME UET TAXILA CHAPTER*

**ASME UET Taxila Chapter** is the amalgamation of different successive events. In this tenure, ASME conducted a successful community services week in which it emphasizes to promote **(STEM)** Science, Technology, Engineering & Mathematics among the students at Schools and Colleges by giving them career counselling and exhibiting miniature projects. Moreover, it was of five days long event which left us with remarkable memories. **ASME UET Taxila Chapter** supervised the **Community Services Week (CSW '22)** sponsored by **Indigo Consultants**.

f ASME UET Taxila Chapter | @ ASME UETTAXILA | in ASME UET Taxila Student Chapter

## Schools Visited

- Allied School, Taxila
- HMC Boys High School, Taxila
- Government Boys High School, Taxila
- HMC Girls High School, Taxila
- Government College of Technology, Taxila

## Day 1:

The main motive was to provide our new generations with a modern perspective on career opportunities and fields of application in different fields. The core team of ASME visited the **Allied School, Taxila** on **December 19<sup>th</sup>,2022**.

## Day 2:

**Team ASME** guides the young generation about the career choices and provides them assistance in determining their long-term objectives. Moreover, they render them with several initiatives and brief them so that they can decide where their interests lie. The core team of **ASME** visited the **HMC Boys High School, Taxila** on **December 20<sup>th</sup>,2022**.

## Day 3:

Our core team at **ASME** assisted juvenile minds about the avant-garde perspective of career opportunities as well as the main fields of study. The miniature projects exhibition provided them with assistance in realizing their interests and helped them choose the right track. The team of **ASME** visited the **Government Boys High School, Taxila** on **December 21<sup>st</sup>,2022**.

#### **Day 4:**

The main intention was to inspire the youth about modern technology and its importance in the current era. Team ASME provided career guidance by narrating their own experiences, expertise in how to achieve their dream goals and much more. The core team of ASME visited the **HMC Girls High School, Taxila on December 22<sup>nd</sup>, 2022.**

## Day 5:

**Team ASME** provides young minds an insight into career opportunities and helps them dispel their bewilderments about diverse areas of study. In addition, they inspire them by demonstrating miniature projects and giving them a hint of the practical applications of the desired domains. The core team of ASME visited the **Government College of Technology, Taxila** on **December 23<sup>rd</sup>, 2022**.

**The Institution of Mechanical Engineers (IMechE)**, a well-known student chapter of the Mechanical Engineering Department, aims to give undergraduates a sneak peek into the professional world of engineering. Along with the success in professional life, IMechE aims that students may also prosper in Islamic values.

For this purpose, IMechE under the guidance of Dr. Aneela Wakeel organized a seminar on topic “**Life Goals Illusion & Islam**”. The main agenda of this seminar was to guide youth that how they can balance their day to day activities and Islam. It also focused on how a person can control his emotions (nafs) as it is the cause of major sins.

Our host was **Mr. Syed Burhan Ali** (C.E.O of Robot\_mea) This event was held physical in Mechanical Engineering Department

Here are few glimpses of this seminar.

**UMEED E-SUBH:**

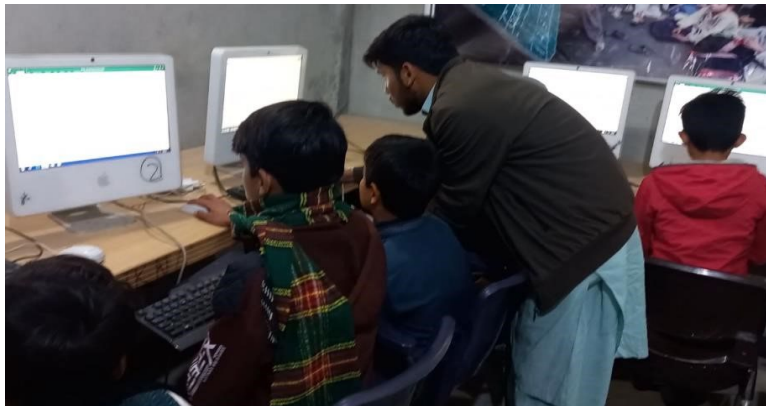

## **IT BOX**

**Mechanical Student (Reg. # 19-ME-18)** joined Umeed-eSubh. He was appointed as a volunteer teacher in IT Box for more than 6 months (**Oct 2019 to Mar 2020**).

He also served as **Co-Head of IT Box** after Covid-19.

In the start of May 2022, He became the **Principal of IT Box**.

Alhamdulillah, He Served a lot of periods in the prosperity of blossom faces.

## **Distribution Week**

For the past 3 years, he participated almost in all distribution weeks of the society. In this Distribution team, they distribute the stationery and uniform to students of all nearby Government schools. More than 3 distribution weeks were held after his joining the society and he participated in all of these.

## Distribution at Govt. UET School

**A mechanical student (19-ME-18)** also participated in this event as a CoHead and also management member. Alhamdulillah, they cover 100+ students in this distribution at Govt. School UET Taxila.

## Government School Gangu Jumma

The Students from Mechanical Department **(Hassan Jamil; Reg. # 18-ME-09)** & **(Muhammad Uzair; 18- ME-24)** also Participated in the Distribution event 18' held in Government School Gangu Jumma.

## Govt. Gangu Jumma School

Stationery Distribution event held at Government Gangu Jumma School. **A Mechanical Student (19-ME-18)** participated in this distribution.

### Govt. Jandial Temple School

Keeping in mind the situation of students in Govt. Jandial Temple School, collect the data of deserving students of Jandial Temple School and distribute the stationery among them. A **Mechanical student (reg. # 19-ME-18)** participated in this event also as a Co-Head.

**Seminar by Umeed e Subh**

**Engineer as a leader, Manager and Administrator.**

A **Mechanical student (19-ME-18)** also participated in this event.

---

## 14 August Day

Umeed e Subh's Cabinet arranged Azadi Day with the **Collaboration of the University's Administration.** **Mechanical Student (19-ME-18)** participated in this event also.

## 14 August event at Peehla Qadam School

## Meetings

Umeed e Subh's previous Cabinet arranged meetings with Co-heads for the Distribution Week. From the Mechanical side **(Mujahid Abbas; 19-ME18)** & **(Muhammad Hassaan; 19-ME-79)** attend all these general meetings of Umeed e Subh. He also joined other general body meetings.

---

## Kashmir Day:

**Kashmir Solidarity Day** is on February 5, and this day is observed by the people in Pakistan and Kashmir who have been fighting for their freedom for more than 70 years. This day is also celebrated in honor of the Kashmiris who have lost their lives in the fight for freedom.

In this regard, Kashmir Solidarity Day was established by Umeed E Subh at Pehla Qadam School. As a part of this society and being Co-Head of Umeed e Subh, **(19-ME-18)** joined this Event

---

## **Rashid Cheema Health and blood donor society:**

Mechanical students are actively involved in this society in following events:

### **\*RCHBDS UET TAXILA collaborate with Karwaan Flood Relief Project in Sawat \***

Team RCHBDS, UET taxila and team Karwaan E Iqbal conducting medical camp in Kalam, Sawat. We are glad to announce that we are working in collaboration with Karwaan-e-Iqbal as their medical camp partner in SAWAT. RCHBDS is providing the medicines for two days visit in KFRP.

### **Free Medical Camp**

Rashid Cheema Health & Blood Donor's Society is going to arrange a free of cost medical camp for students of UET Taxila.

In this Event, there will be ...

1. Medical Seminar
2. Free Hepatitis B&C Test
3. Free Blood Group Test

Date & Time:

02-Jun-22 Thursday

Venue:Lecture Hall 1 Electrical Engineering Department

Here are some glimpses from our recent event "Free Medical Camp" which was held by RCHBDS in UET Taxila.

 10AM-2PM

 Infront of Library

A Tree is the Best Friend of Man on Earth." As we know Trees are the most benevolent givers in nature. They play an extremely important role in giving life and sustaining it The true meaning of life is to plant trees, under whose shade you expect to sit So,In order to keep our Environment Green and Clean NATIONAL YOUTH ASSEMBLY is going to Collaborate with Other Societies to conduct an event on awareness of TREE PLANTATION As a famous quote is: "Plant a Tree Today For a Better Tomorrow." Hope you will make sure your presence because: "He Who Plants a Tree. Plants a Hope."
