CIRCULAR (SUMMER SEMESTER 2024)

As per regulations laid down in the Rules and Regulations (Undergraduate Programs), the Bachelor's Degree Program is spread over four academic years (Eight Regular Semesters) while the maximum duration is seven years. Each academic year consists of two regular teaching semesters i.e., Fall and Spring and an optional Summer Semester.

A. Regulations

The relevant rules governing the Summer Semester are reproduced below:

Summer semester is an optional semester in which courses are offered as per the availability of faculty and resources.

- Summer semester shall be only for those students who want to repeat/improve certain courses to make up for their academic deficiencies. First attempt to study any course shall not be allowed in summer semester.
- An academically deficient student, either regular or casual, shall be allowed to get himself registered for maximum **9 credit hours only** provided that contact hours also does not exceed the total number of available working hours per week.
- The minimum strength to offer a course in Summer Semester will be five students. However, the Dean of Faculty may relax the condition of five students on the recommendations of the Chairman of the concerned academic department only for the graduating and casual students. In case if such course is offered, it will be open for registration to other students as well. Fee as prescribed by the university will be charged from all such registered students.
- Teaching and actual lab conduction shall be mandatory for all offered courses in summer semester.
- The contact hours during the summer semester shall be doubled to ensure that the course is completely taught with half of the duration compared to the regular semester.
- Letter Grade awarded during summer semester shall not be more than a 'B' grade. Also, no 'I' grade will be awarded in summer semester.
- The registration, attendance, conduct of examination and result display policies etc. during the summer semester shall be same as in regular semester.
- Students can only improve a grade lower than C (that is C-, D, and F).
