

# Energy Future in Pakistan

April 12, 2017

Workshop Organized by

Department of Mechanical Engineering  
University of Engineering and Technology, Taxila, Pakistan

## Introduction:

The Department of Mechanical Engineering UET Taxila is going to organize one day workshop on Energy future in Pakistan on **April 12, 2017**. The energy experts from all over the country have been invited to deliver their keynote talks, experiences, and to discuss policy frameworks. This workshop will offer an opportunity for engineers, scientists, professionals, academicians, policy makers, as well as investors to be familiar and gain knowledge in recent developments in power generation, energy conservation, and renewable energy. It is expected that the workshop will help professionals to introduce the current energy policy, techniques and alternate methods to overcome the energy crisis of Pakistan. Your participation will certainly give the workshop a success and we will be highly obliged to you.

## Subject Areas Covered:

- Hydro Power Generation System and Technologies
- Renewable Energy Systems and Technologies
- Energy Management
- National Energy Security
- Energy Conservation, Efficiency & Management
- Future Energy Planning
- Efficient utilization of Conventional & non-conventional energy reservoirs.
- Futuristic Energy Supply & Demand Technologies.
- Nuclear Power Generation Systems and Technologies

## Registration:

There will be no charges for attending the workshop. However an amount of Rs. 1000 will be charged for CPD registration.

## How to apply:

Registration form can be accessed at the activity website:

[www.uettaxila.edu.pk](http://www.uettaxila.edu.pk)

Fill the form and email to:

[energy.seminar@uettaxila.edu.pk](mailto:energy.seminar@uettaxila.edu.pk)

DEADLINE for requesting participation: **April 04, 2017**

(Note: Limited seats are available)

## Invited Speakers:

Representatives amongst following Organizations/Institutes

- ❖ Ministry Of Water and Power
- ❖ Alternative Energy Development Board (AEDB)
- ❖ National Transmission & Dispatch Center (NTDC)
- ❖ National Energy Conservation Center (ENERCON)
- ❖ Ministry of Petroleum & Natural Resources
- ❖ Pakistan Electric Power Company (PEPCO)
- ❖ Energy Specialist, World Bank
- ❖ HEIs

## Focal Person:

- ❖ Dr. Tanzeel-ur-Rashid

## Organizing Committee:

- ❖ Engr. M. Usman
- ❖ Engr. Sana Zulfiqar
- ❖ Engr. Ghulam Qadir
- ❖ Engr. Rizwan Saeed
