

# Advancements on Sustainable Energy Systems (ASES -2017)

*Conference Organized by*

Department of Mechanical Engineering

University of Engineering and Technology, Taxila, Pakistan

## **Introduction:**

The Department of Mechanical Engineering, UET Taxila is going to organize one day national conference on “Advancements on Sustainable Energy Systems” at conference hall (Admin Block). The experts in the field of energy have been invited to deliver their keynote talks and contributory lectures. This conference will offer an opportunity for engineers, scientist, professionals, policy makers as well as investors to be familiar and gain knowledge in the recent developments in energy sector, energy conservation and renewable energy. It is expected that the conference will help people in Pakistan to introduce the current techniques and alternate methods to overcome energy crisis. The experts/researchers in the field of energy will give their valuable opinions/solutions for industrial and domestic energy crisis. The conference will also give an opportunity to young engineers/professionals to present their research in the field of energy. Your participation will certainly give the success and we will be highly obliged to you. It will be a great honor for us to see in this conference as well as your valuable contribution in the form of research papers/posters.

## **Subject Areas Covered:**

- Potential assessment of Renewable and Clean Energy in Pakistan
- Ocean Energy & Hydro Power generation in Pakistan
- Renewable Energy Systems-Aspects of materials and structures
- Renewable Energy Systems and Technologies
- Clean Energy Technology Innovation
- Sustainable Energy systems, Technology & Management
- Energy application of Nanotechnology
- Current and Future Energy projects and Energy Cost Effectiveness
- Energy Modelling and Planning

## **Important dates:**

Abstract submission deadline:	April 05, 2017
Full paper submission deadline:	Soon Announced
Notification of acceptance:	Soon Announced
Conference date:	Soon Announced

## **Abstract submission:**

Abstract should include keywords, together with the summary of the paper and its main contributions. The main conference subject area to which the paper is most relevant should also be stated. After acceptance of an abstract, authors will be requested to submit the full paper. Papers accepted and presented in “Energy Future in Pakistan Conference 2017” will be published in technical journal of UET Taxila.
