

TENURE DETAILS IEEE STUDENT BRANCH UET TAXILA

Following are the details mentioned that IEEE went through the TENURE 2019.

REPORT TYPE: ANNUAL

YEAR REPORT: 2019

GENERAL INFORMATION

| STUDENT BRANCH NAME | University of Engineering and Technology, Taxila |
|---------------------------------------------------------|--------------------------------------------------|
| STUDENT BRANCH CHAIR | M. SAIF RAZA |
| IEEE NUMBER | 94930155 |
| CONTACT NUMBER | +923049407528 |
| EMAIL ADDRESS | saifraza@ieee.org |
| NAME OF BRANCH COUNSELLOR | PROF. DR. GULISTAN RAJA |
| IEEE NUMBER | 90703261 |
| CONTACT NUMBER | +923129552563 |
| EMAIL ADDRESS | gulistan.raja@uettaxila.edu.pk |
| TOTAL STUDENT MEMBER | 85 |
| TOTAL HIGH GRADE MEMBER | 70 |
| TOTAL STUDENT MEMBERS RECRUITED IN THE LAST 3 MONTHS | Nil. |
| TOTAL HIGH GRADE MEMBERS RECRUITED IN THE LAST 3 MONTHS | Nil. |

All information in the report is accurate to my belief and knowledge.

PROF. D. GULISTAN RAJA

July 15, 2020.

BISMILLAH HIR RAHMAN NIR RAHEEM.

STARTING WITH THE NAME OF ALLAH THE MOST BENEFICIENT AND THE MOST MERCIFUL.

TEAM IEEE SB UET TAXILA AT A GLANCE.

IEEE-UET Taxila is a source of technical and professional information, research resources, technology advancements and network opportunities. It is a thought provoking platform that is devoted to raise consciousness of science and technology among the students, foster interest in the engineering profession and also serve student members to meet technical professionals in other colleges and universities around the world. This document was composed, written, and organized by Moiz Ahmad along with his team. Our main focus is to promote innovative awareness, build leadership qualities and professional guidance in Engineering Sciences. It will also give an opportunity for global communication between Students and Professionals. The branch aim to organize informative sessions, conferences, seminars, exhibitions, panel discussions, workshops, and short-courses. We invite all students at UET Taxila to join this society to enlighten their innovative minds and be a part of this great cause that that will define the future.

Events

And Activites

2019

1) STUDENT ACTIVITES COMMITTEE

During the Tenure of the Cabinet 18-19 IEEE progressed in no time and made everyone speechless. Their efforts were not only recognized in the university premises but were also appreciated widely. Misbah Hassan our former Chair for IEEE WIE AG was selected as ASSR for the IEEE Islamabad SAC 2019.

MINUTIAE

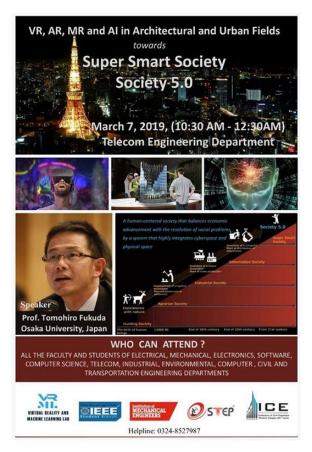

For the Post of ASSR various applicants applied and they were judged on various grounds. Our WIE Chair Misbah Hassan was selected to be an ASSR and represent UET Taxila on universal level. She after becoming the ASSR for the Islamabad Section i.e. considered to be the largest section worldwide brought groundbreaking measures in IEEE UET TAXILA SECTION. Being an ASSR she uplifted the Hierarchy of UET Taxila and brought international level competitions to UET Taxila. We wish her best of Luck for her future endeavors.

2) TALK ON SMART SOCIETY 5.0

Team IEEE inn collaboration with other societies of University brough up a conference on title TALK ON SMART SOCIETY 5.0 In the very conference, some needs and trials of the latest techniques using virtual reality (VR) as practical uses were discussed. Emerging mixed reality (MR) applications which include augmented and diminished reality (AR/DR) and Artificial Intelligence (AI) were also demonstrated.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|-------------------------------------------------------------------|
| EVENT TYPE | Technical Event. |
| TOTAL PARTICIPANTS | 230 |
| TOTAL IEEE PARTICIPANTS | 50 |
| DATE | March 7, 2019 |
| SPEAKER | Dr. Tomohiro Fukuda, Associate Professor, Ph.D. Osaka University. |
| | Students had a brief about what VR is. Moreover, students had a |
| GOALS | viewpoint about an indoor thermal environmental design system |
| | using computational fluid dynamics (CFD) and MR. |

ALBUM LINK: https://www.facebook.com/events/2145754595462658

3) <u>SEMINAR ON ARTIFICAL INTELLIGENCE</u>

A seminar on Artificial Intelligence was conducted in HITEC University in collaboration with IEEE WIE Affinity Group UET Taxila. Keeping in need the hour of AI, Team IEEE WIE held a seminar so that students may get substantial amount of information regarding Artificial Intelligence and it's role in near Future.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|---------------------------------------------------------------------|
| EVENT TYPE | Technical Event. |
| TOTAL PARTICIPANTS | 120 |
| TOTAL IEEE PARTICIPANTS | 40 |
| DATE | March 6, 2019 |
| SPEAKER | Brig (R). DR. Masood Raza. |
| GOALS | Students had a brief about what AI is. Students were told about the |
| GOALS | Al and its advancements in the upcoming years. |

The Seminar ended with the Chair's note and by distribution of certificates.

4) IEEE MEMBERSHIP DRIVE 2019

Team IEEE conducted the International Membership Drive for it's members during March 2019. IEEE SB UET Taxila conducted an international membership drive during 1st quarter as 50% discount is offered on memberships. International memberships for IEEE were promoted and information desks were set up for guidance of newly recruited university members and all other university students. The drive consisted of series for three months focused on increasing as many international members as possible.

| EVENT SCOPE | Student Branch |
|-------------------------|----------------------------------------------------------------|
| EVENT TYPE | Technical Event. |
| TOTAL PARTICIPANTS | 25 |
| TOTAL IEEE PARTICIPANTS | 25 |
| DATE | March 15, 2019 TO March 19, 2019 |
| | Students were briefed about the perks of International |
| GOALS | Membership. Therefore, International Members increased in IEEE |
| | UET Taxila Branch. |

5) SPORTS WEEK ELEKTRA'19

In order to make the students leave the monotonous routine of Studies and make their Minds Fresh, Team IEEE conducted ELEKTRA'19. Sports Week was organized by Team IEEE and a new Clause was introduced during the sports week i.e. ELEKTRA'19 in which various Technical and Non-Technical Events Took place.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Technical Event. |
| TOTAL PARTICIPANTS | 250 |
| TOTAL IEEE PARTICIPANTS | 120 |
| DATE | March 19, 2019 TO March 21, 2019 |
| GOALS | Students learned various Software's, since hand on hand sessions were conducted on MS Word, MATLAB, Proteus, PSPICE and various software's. |

ALBUM LINK: https://www.facebook.com/media/set/?set=a.2163234340412611&type=3

6) WORKSHOP ON MS WORD, POWERPOINT, EXCEL

Considering the Fact of need of the hour, Team IEEE for it's Freshmen conducted a workshop on MS word, PowerPoint, and Excel to make the students familiar about these basic software's and in future they can easily carry out their work on them. The Event kicked start by the recitation of Holy Quran and followed by a hand on discussion by our Chairperson Mr. Sarmad Noor.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|-----------------------------------------------------------------|
| EVENT TYPE | Technical Event. |
| TOTAL PARTICIPANTS | 100 |
| TOTAL IEEE PARTICIPANTS | 30 |
| DATE | March 18, 2019 |
| COMS | Students had a hand to hand session on MS word, PowerPoint, and |
| GOALS | Excel. Moreover, Software's were also provided to them. |

ALBUM LINK: https://www.facebook.com/media/set/?set=a.2163218880414157&type=3

EVENT NAME

7) PCB DESIGNING AND IMPLEMENTATION

IEEE Student Branch UET Taxila organized a PCB design and implementation workshop with a touch technical knowledge of electrical engineering. The participants were provided with circuit designing component and other required materials. The participants were required to implement an attracting design.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|-------------------------------------------------------|
| EVENT TYPE | Technical Event. |
| TOTAL PARTICIPANTS | 80 |
| TOTAL IEEE PARTICIPANTS | 20 |
| DATE | March 19, 2019 |
| GOALS | Students had a hand to hand session on PCB Designing. |

ALBUM LINK: https://www.facebook.com/media/set/?set=a.2163227277079984&type=3

8) NON TECHNICAL EVENTS

For the consecutive days Technical Events were held. Now, in order to cherish some memories and provide our Freshmen an opportunity to interact with their seniors, Team IEEE conducted non-Technical Events in order to judge the qualities of their Freshmen. Events Like, Ludo, Scavenger Hunt, PUBG were held. Here are some of the pictures from the ELEKTRA'19 Day 4 on Non-Technical Events.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 100 |
| TOTAL IEEE PARTICIPANTS | 30 |
| DATE | March 20, 2019 |
| SUB-MODULES | Ludo, Scavenger Hunt, PUBG |
| GOALS | Students participated in various competitions like Ludo, Scavenger Hunt, PUBG. This not only gave them an opportunity to refresh their mind but also provided them an opportunity to interact with their Seniors. |

ALBUM LINK: https://www.facebook.com/media/set/?set=a.2163246463744732&type=3

EVENT NAME

9) NON TECHNICAL EVENTS

On ELEKTRA'19 Day 5, Team IEEE arranged various other Non-Technical Events, competitions and different workshops to make their freshies forget the tedious routine of studies and make them refresh by refreshing their minds. Events like Are you Smarter than Grade 5? , Whisper Challenge, 2 Minute Jam were of prime importance.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 120 |
| TOTAL IEEE PARTICIPANTS | 30 |
| DATE | March 21, 2019 |
| SUB-MODULES | Ludo, Whisper Challenge, Are you smarter than Grade 5?, and 2 |
| 30B-IVIODOLES | Minute Jam. |
| | Students participated in various competitions like Whisper |
| GOALS | Challenge, Are you smarter than Grade 5?, and 2 Minute Jam. This |
| GOALS | not only gave them an opportunity to refresh their mind but also |
| | provided them an opportunity to interact with their Seniors. |

10) ANNUAL VOLUNTEER AWARD CEREMONY

Team IEEE arranged Annual Volunteer Award ceremony to recognize and appreciate the yearlong volunteering services of the members. Awards and titles were distributed among the nominated volunteers. Special awards like Best Volunteer Award for IEEE, PES, CES and WIE Affinity Group were distributed among the deserving candidates. Honorary mention awards were also distributed among the students for their volunteering services.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Technical Event. |
| TOTAL PARTICIPANTS | 150 |
| TOTAL IEEE PARTICIPANTS | 50 |
| DATE | March 26, 2019 |
| GOALS | Recognizing the volunteering service of the members of the previous years and giving them a token of appreciation for their untiring efforts. |

ALBUM LINK: https://www.facebook.com/media/set/?set=a.2163272007075511&type=3

11) **ELECTION FOR CHAIRPERSON**

IEEE SB UET Taxila organized elections for the Chairperson, IEEE Student Branch UET Taxila for the Tenure 2019-20. All the IEEE, WIE, PES and CES members of the society casted their votes to select their Chairperson for the next year. As a result of the conducted elections, M. Saif Raza was elected as Chairperson, 2019-20, IEEE Student Branch UET Taxila.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Technical Event. |
| TOTAL PARTICIPANTS | 120 |
| TOTAL IEEE PARTICIPANTS | 50 |
| DATE | March 29, 2019 |
| REMARKS BY A VOTER | It was an immense pleasure to elect the Chairperson by our self whom we think is capable of leading the society and make it progress rapidly. |
| GOALS | Recognizing the volunteering service of the members of the previous years and giving them a token of appreciation for their untiring efforts inform of Chairperson Elections. |

CABINET ANNOUNCEMMENT FOR 2019-20 12)

IEEE Student Branch UET Taxila organized interviews for the cabinet 2019-20. Counselor IEEE Student Branch UET Taxila Prof. Dr. Gulistan Raja conducted the interviews. After careful evaluation of each candidate, the cabinet for the tenure 2019-20 was announced.

IEEE Student Branch, UET Taxila. STB-60871

e-mail: uett@ieee.org

NOTICE

IEEE Student Branch UET Taxila announces office bearers for the tenure 2019-20.

IEEE Mentor

| Designation | Name | Department |
|-------------|-------------|---------------|
| Mentor | Sarmad Noor | 15-Electrical |

IEEE Cabinet

| Designation | Name | Department |
|----------------------|-------------------|---------------|
| Chairperson | Saif Raza | 16-Electrical |
| Vice-Chairperson | Muneeb Sajid | 16-Electrical |
| General Secretary | Muhammad Sufyan | 16-Electrical |
| Treasurer | Tallal Faroog | 16-Electrical |
| Joint Secretary | Muhammad Abdullah | 16-Electrical |
| cademics Coordinator | Sarmad Imtiaz | 16-Electrical |

WIE Cabinet

| Designation | Name | Department |
|-----------------------|-------------------|---------------|
| Chairperson | Soha Salman | 16-Electrical |
| Vice-Chairperson | Maria Tariq | 16-Electrical |
| General Secretary | Rubina Akhtar | 16-Electrical |
| Treasurer | Laiba Imran | 16-Electrical |
| Joint Secretary | Summaiyah Tajamal | 16-Electrical |
| Academics Coordinator | Rimsha Tariq | 16-Electrical |

PES Cabinet

| Designation | Name | Department |
|-------------------|---------------|---------------|
| Chairperson | Talha Tanveer | 16-Electrical |
| Vice-Chairperson | Areeb Khalid | 16-Electrical |
| General Secretary | Moeez Hafeez | 16-Electrical |
| Treasurer | Asad Tahir | 16-Electrical |
| Joint Secretary | Hassan Abid | 16-Electrical |

CES Cabinet

| · · | | |
|-------------------|----------------|-----------------|
| Designation | Name | Department |
| Chairperson | Hammad Tariq | 16-Electronics |
| Vice-Chairperson | Anfaal Tariq | 16- Electronics |
| General Secretary | Adnan Hashmi | 16- Electronics |
| Treasurer | . Wmair Khalid | 16- Electronics |
| Joint Secretary | Sinan Ali | 16- Electronics |

Sarmad Noor, Umar Khan, Intisar Said, Ali Sajjad Gulistan Raja, Ex-Chair, IEEE UETT Advisor, IEEE CES UETT Advisor, IEEE PES UETT Counsellor, IEEE UETT

The general information regarding the interviews and the appointment of the branch Officials is as under.

| EVENT SCOPE | Student Branch |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Technical Event. |
| TOTAL PARTICIPANTS | 22 |
| TOTAL IEEE PARTICIPANTS | 22 |
| DATE | April 9, 2019 |
| REMARKS BY A VOTER | It was an immense pleasure to elect the Chairperson by our self whom we think is capable of leading the society and make it progress rapidly. |
| GOALS | Recognizing the volunteering service of the members of the previous years and giving them an opportunity to lead the society. |

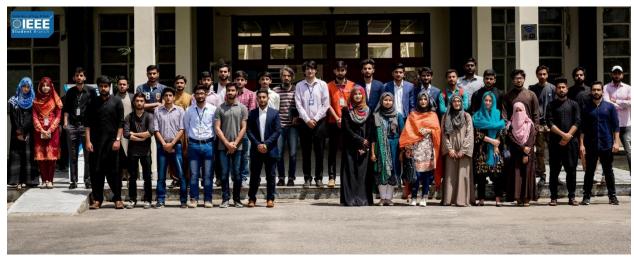

The event ended with a group photo outside the department.

13) SEMINAR ON RF ENERGY HARVESTING

IEEE Student branch UET Taxila arranged a seminar on "RF ENERGY HARVESTING". The seminar was conducted by Dr. Noherwan Shoaib Abbasi. The students were guided about the low power devices and Radio Frequency Energy Harvesting and to propose practical harvesting radio frequency using harvesters. The event ended by presenting a shield to the Speaker.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|----------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 70 |
| TOTAL IEEE PARTICIPANTS | 30 |
| DATE | April 25, 2019 |
| GOALS | Students were guided about IOT. Moreover, the society aimed at |
| GUALS | establishing the most suitable combination of energy source. |

ALBUM LINK: https://www.facebook.com/media/set/?set=a.2258215870914457&type=3

14) ANNOUNCEMENT OF EXECUTIVE COMMITTEE

Team IEEE under the Chairpersonship of M. Saif Raza conducted interviews for the Executive Committee for IEEE and following members were elected.

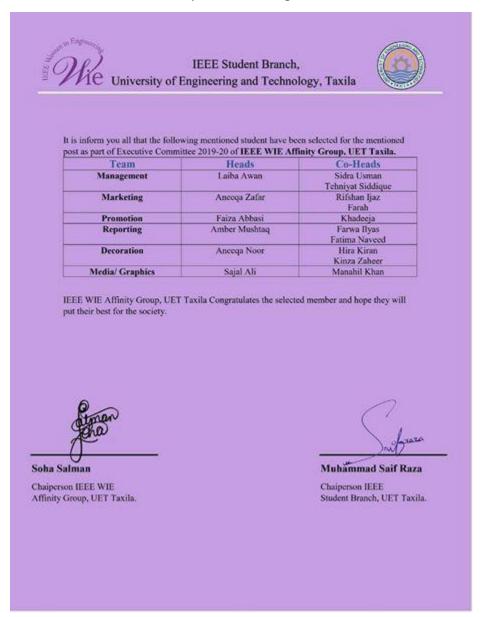

| EVENT SCOPE | Student Branch |
|-------------------------|------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 45 |
| TOTAL IEEE PARTICIPANTS | 35 |
| DATE | April 28, 2019 |
| GOALS | Students Executive Committee was formed. |

15) EXECUTIVE COMMITTEE OF IEEE WIE AFFINITY GROUP

Team IEEE under the Chairpersonship of Ms. Soha Salman conducted interviews for the Executive Committee for IEEE WIE Group and following members were elected.

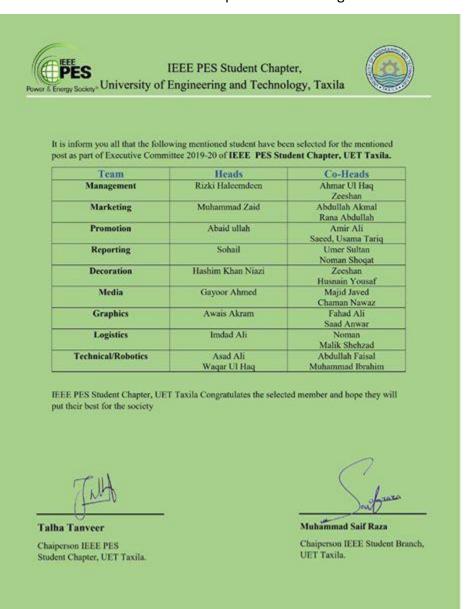

| EVENT SCOPE | Student Branch |
|-------------------------|------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 20 |
| TOTAL IEEE PARTICIPANTS | 18 |
| DATE | April 28, 2019 |
| GOALS | Students Executive Committee was formed. |

16) EXECUTIVE COMMITTEE OF IEEE PES STUDENT CHAPTER

Team IEEE under the Chairpersonship of Mr. Talha Tanveer conducted interviews for the Executive Committee for IEEE PES Student Chapter and following members were elected.

| EVENT SCOPE | Student Branch |
|-------------------------|------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 28 |
| TOTAL IEEE PARTICIPANTS | 28 |
| DATE | April 28, 2019 |
| GOALS | Students Executive Committee was formed. |

17) EXECUTIVE COMMITTEE OF IEEE CES STUDENT CHAPTER

Team IEEE under the Chairpersonship of Mr. Hammad Tariq conducted interviews for the Executive Committee for IEEE CES Student Chapter and following members were elected.

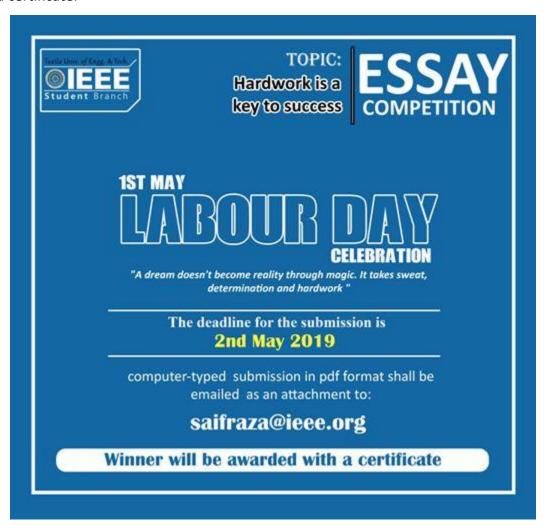

| EVENT SCOPE | Student Branch |
|-------------------------|------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 25 |
| TOTAL IEEE PARTICIPANTS | 25 |
| DATE | April 28, 2019 |
| GOALS | Students Executive Committee was formed. |

18) LABOUR DAY CELEBRATION

Team IEEE for the Labour Day celebration conducted an Essay Writing Competition. The participants were needed to present a typed Pdf Document on the topic Hard work is a key to Success. Later, they were judged on various grounds by our Jury. In the end winner was awarded with a certificate.

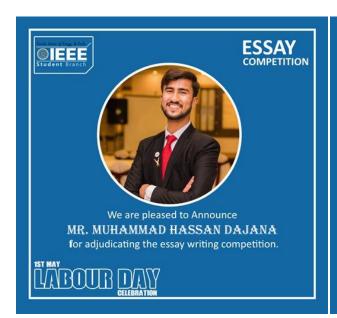

| EVENT SCOPE | Student Branch |
|-------------------------|----------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 20 |
| TOTAL IEEE PARTICIPANTS | 5 |
| DATE | May 1, 2019 |
| GOALS | Students Essay Writing skills were polished. |

19) ESSAY WRITING WINNER

Team IEEE after the tremendous response by the members, invited MR. Hassan Dajana for the adjudicating Essay Writing competition. He has won major distinctions on the specific stream.

MINUTIAE

Mr. Hassan Dajana judged the competition on various norms like the quality, quantity of the essay. Moreover, he further evaluated the essay whether it fulfill the required conditions or not. And after detailed assessment Osama Bin Anwar was declared as the winner. M. Awais Akram from 16-EED was declared as the runner up for the Essay Writing Competition.

20) TRAINING OF BRANCH OFFICIALS 2019-20

Team IEEE conducted a Training session for it's newly appointed branch officials under the tenure 19-20. The training session started with the recitation of Holy Quran and followed by Counselor Address.

The training was basically for the newly appointed officials of the student branch. The session was chaired by Counselor IEEE Student Branch UET Taxila. The agenda of the session included the general mentoring, future plans, strategies and aim of the student branch for the next academics year.

The meeting basically focused on the appreciation for the newly elected branch officials. Moreover, The Branch Counselor motivated everyone to work Honestly, Dedicatedly, and never try to breach the code of conduct of IEEE UET Taxila Student Branch.

Further on, Duties were assigned to the Executive Committee and they were briefed about the work assigned to them. Refreshment was also provided for the participants.

Further details are attached underneath.

The following picture contains some details about the Post meeting scenario and it's details.

The Branch Counsellor Prof. Dr. Gulistan Raja led the meeting along with the newly appointed Branch Officials and Executive Committee members.

22) SHIELDS DISPERSAL

IEEE Student Branch UET Taxila arranged an annual general meeting for the year 2018-19. The event started off with the recitation of the verses of Holy Quran. Afterwards, the cabinet took oath in the betterment of the society. The shields were distributed among the Ex-cabinet as the token of appreciation for their volunteering service. The meeting also included the oath taking ceremony of the heads and co-heads of the student branch.

The Cabinet members of all the Student Chapters i.e. IEEE , IEEE WIE AFFINITY GROUP, IEEE CES STUDENT CHAPTER, and IEEE PES STUDENT CHAPTER UET Taxila were awarded with shields as an honor for serving IEEE.

The Event took place in Telecom Engineering Department under the supervision of Branch Counsellor Prof. Dr. Gulistan Raja. He thanked the Ex-chairs for their commitment towards IEEE and presented them shields as a token off appreciating their efforts.

On this occasion we had our chief guest Dr. Intisar Ali Sajid with us. He awarded the PES Cabinet members with shields for their efforts towards IEEE PES Student Chapter.

EVENT NAME

24) OPEN HOUSE

IEEE SB UET TAXILA was given the opportunity to organize the OPEN HOUSE for the session 2015. The event started with the opening ceremony by Vice Chancellor of campus. The prizes were distributed among the winners as the token of appreciation for their achievement of Final year project.

Electrical Department and most importantly Team IEEE was given the opportunity to make the necessary arrangements for the Open House.

Further on, adding the more awaited pictures.

There were round about 55 projects displayed in Electrical Engineering Department and they were judged by various teachers, professors, Team leaders along with Respectable Vice Chancellor.

25) OPEN HOUSE AWARD CEREMONY

After the successful conduction of Open House 15, it was the time to declare the winners who made some exciting Final Year Projects.

The event commenced with recitation of Holy Quran followed by the Dean Address i.e. Prof. Dr. PhD. Tahir Nadeem Malik addressed the session 15.

Dr Aftab Ahmad along with Dr Shabbir Majeed were also the part of the executive committee judging the Students projects.

EVENT NAME

26) OPEN HOUSE VOLUNTEER AWARD DISTRIBUTION

Team IEEE after the conduction of whole mega event was appreciated by the jury members. Further on to encourage the young Student Body, Certificates were provided to them for their tireless efforts.

Dean Sir were invited to disperse the certificates among the student bodies.

Student Volunteer Body was highly appreciated by the Dean Sir for their untiring efforts that day.

IEEE

Moreover, students were encouraged to work with same zest and zeal for the betterment of IEEE and the Electrical Engineering Department.

Team Volunteers group Photo.

IEEE DOCUMENTATION TEAM 20-21

After the certificates were distributed by Prof. Dr. Tahir Nadeem Malik, along with Chairman Sir, Prof. Dr. Aftab Ahmad the students were invited for a group picture outside the department in order to make this ceremony a memorable one. The group photo is attached underneath.

GENERAL INFORMATION

28) IEEE MADC 2019

Team IEEE accepted the responses of MADC 2019 ideas in order to make their student bodies progress on international level.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 25 |
| TOTAL IEEE PARTICIPANTS | 12 |
| DATE | September 1, 2019 |
| GOALS | Students were encouraged to apply so that their innovative ideas must be recognized Internationally. |

29) OUTSTANDING SECTION AFFINITY GROUP AWARD

Misbah Hassan Abbasi, our Former Chair IEEE WIE AFFINITY GROUP Student Branch UET Taxila, our dedicated and competent member secured outstanding volunteer award and made us proud.

MINUTIAE

Misbah Hassan efforts were recognized internationally, how she made the Student branch UET Taxila progress by leaps and bound. She burnt the midnight oil for the betterment of WIE AFFINITY GROUP.

Her efforts were soon recognized internationally on student level and she won the award for Women in Engineering in recognition with her outstanding contributions and services to WIE programand to the IEEE Islamabad Section. We wish her a Best of Luck for all her future endavors.

EVENT NAME

30) GENERAL BODY MEETING

IEEE student branch conducted a General body Meeting. The main aim of this meeting was to aware the students about the IEEE career pathway and about its forth coming events. In this meeting, students were told about the different opportunities they can avail as a member of IEEE, and how they can flourish their careers by actively participating in IEEE events. The upcoming events, its goals, and targets, were also described to the participants, which laid down the road map of IEEE student branch UET TAXILA for year 2019.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |

EVENT NAME

32) VOLUNTEER CERTIFICATE DISTRIBUTION

IEEE Student Branch UET Taxila arranged an annual general meeting for the year 2017-18. The event started off with the recitation of the verses of Quran Majeed, followed by the distribution of Certificates among the young blood for their tremendous efforts in IEEE.

Afterwards, the cabinet took oath in the betterment of the society. The shields were distributed among the senior session as the token of appreciation for their volunteering services during their program duration. The meeting also included the oath taking ceremony of the heads and coheads of the student branch.

Mr. Hassan Dajjana distributed the shields and certificates among the volunteers.

GENERAL INFORMATION

The volunteer distribution ceremony details are as under.

| EVENT SCOPE | Student Branch |
|-------------------------|-------------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 120 |
| TOTAL IEEE PARTICIPANTS | 40 |
| DATE | September 28, 2019 |
| GOALS | Students were encouraged to participate more, and shields were provided to them as a token of appreciation. |

EVENT NAME

33) IEEE DAY CELEBRATION

IEEE Student branch Taxila celebrated its 10th anniversary on this day. The event started with the recitation of the holy Quran. In the event, presentation on IEEE day was delivered, and IEEE benefits with opportunities were described. A contest was held at the moment, and prizes were distributed among the IEEE members for their volunteering services.

The event took place wit the recitation of Holy Quran. Afterwards there was brief about what team IEEE have achieved during the tenure 19-20.

After then the Chairpersons of IEEE, IEEE WIE, IEEE CES STUDENT CHAPTER, IEEE PES STUDENT CHAPTER were invited to cut the cake for the IEEE DAY 2019.

The event was further followed by distributing the cake among the IEEE members.

GENERAL INFORMATION

The IEEE DAY ceremony details are as under.

35) **GRAPHIC DESIGNING WORKSHOP**

Team IEEE Student Branch UET Taxila arranged a 3 DAYS Workshop on Graphic Designing. The main theme behind this workshop was to Spark up student's creativity, Discover the art designing by eye-catching graphics.

GENERAL INFORMATION

The workshop details are as under.

| EVENT SCOPE | Student Branch |
|-------------------------|--------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 150 |
| TOTAL IEEE PARTICIPANTS | 30 |
| DATE | October 9, 2019 |
| GOALS | Students were briefed about the graphic designing and a |
| | competition was held upon which Shield was allotted to the winner. |

36) **GRAPHIC DESIGNING COMPETITION**

After the successful conduction of a 3 Day workshop Team IEEE organized a Graphic Designing Competition. The event was open to IEEE as well as Non – IEEE members. The design was judged on various grounds and in the end, winner was awarded with a shield.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 120 |
| TOTAL IEEE PARTICIPANTS | 30 |
| DATE | October 12, 2019 |
| GOALS | Students were briefed about the graphic designing and a competition was held upon which Shield was allotted to the winner. |

37) **GENERAL BODY MEETING**

IEEE student branch conducted a General body Meeting. The main aim of this meeting was to aware the students about the IEEE career pathway and about its forth coming events. In this meeting, students were told about the different opportunities they can avail as a member of IEEE, and how they can flourish their careers by actively participating in IEEE events. The upcoming events, its goals, and targets, were also described to the participants, which laid down the road map of IEEE student branch UET TAXILA for year 2019. This meeting was conducted in order to have a general meet up of the members. And in this meeting future IEEE events were discussed, and the presentation was delivered by ex-chairperson of IEEE who was working in Saudi- Arabia. He shared his views about working in the field, and the opportunities students have in IEEE.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 120 |
| TOTAL IEEE PARTICIPANTS | 30 |
| DATE | October 14, 2019 |
| GOALS | A meeting was conducted to increase the student interaction with |
| | their Heads, Co-Heads. |

38) IEEE ICE BRAKING SESSION FOR 2K19

IEEE student branch conducted an Ice-breaking session for freshmen 2k19 session. The main aim of this event was the interaction of seniors and juniors. And the information of IEEE as a society were also provided to tell them why they should join IEEE, and what are the opportunities that IEEE offers.

All of the juniors were shuffled and different small games, and activities were carried out. In this way, IEEE warmly welcome their juniors of 2k19.

The main aim of this event was the interaction of seniors and juniors. And the information of IEEE as a society were also provided to tell them why they should join IEEE, and what are the opportunities that IEEE offers.

The event was conducted by playing games with the junior session just in order to make them familiar with the team IEEE.

The event ended with a group photo outside Electrical Department.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|---------------------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 120 |
| TOTAL IEEE PARTICIPANTS | 30 |
| DATE | October 16, 2019 |
| GOALS | ICE Breaking Session was successfully held, and the Freshmen really enjoyed it. |

ALBUM LINK: https://www.facebook.com/media/set/?set=a.2487354644667244&type=3

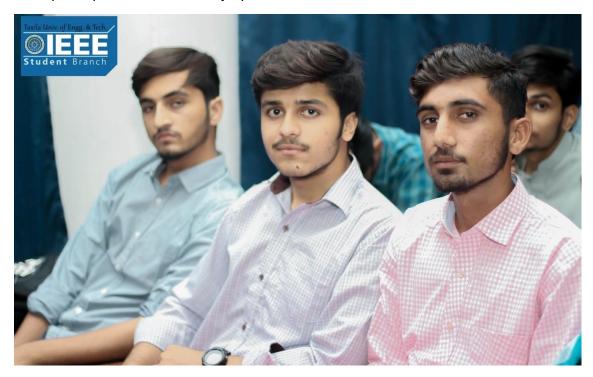

39) **IEEE ORIENTATION FOR 2K19**

IEEE Student Branch UET Taxila arranged orientation for newly admitted students of 2k19. They were briefed about IEEE and It's international scope. The complete procedure of joining IEEE were described, IEEE achievements and benefits were highlighted. Students were motivated to join IEEE as it will lead a new path in their journey to success.

Student's participated well with the jury.

The event introduced students to IEEE STUDENT BRANCH UET TAXILA and other branches as well.

GENERAL INFORMATION

| EVENT SCOPE | Student Branch |
|-------------------------|--------------------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 150 |
| TOTAL IEEE PARTICIPANTS | 50 |
| DATE | October 21, 2019 |
| GOALS | Orientation Session was successfully held, and the Freshmen really enjoyed it. |

The event Ended this time with a group photo in Electrical Engineering Department Lawn.

40) JOINT VENTURE MEETING

IEEE Student Branch UET Taxila hosted the joint Venture meeting B/W IEEE SB FJWU, CUST & CASE. The event consisted different types of modules in which student branches engaged and understood the smooth flow/operations of IEEE. Dr. Zubair (SAC chair) and Dr Gulistan Raja (Chair Awards and Recognition, counselor SB UETT) of IEEE Islamabad Section were invited to share their experiences among student branches. Seminar about membership development was held.

Shields were also distributed among Section officers.

GENERAL INFORMATION

The details of the meeting are us under.

| EVENT SCOPE | Student Branch |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 50 |
| TOTAL IEEE PARTICIPANTS | 50 |
| DATE | October 27, 2019 |

42) STUDENT ACTIVITIES COMMITTEE

Team IEEE efforts were recognized also outside the university premises. It was our immense pleasure to share that our Student Branch Chair M. Saif Raza and chair WIE AG UET Taxila Soha Salman were been selected as Student Activity Committee Ambassador for the IEEE Islamabad SAC 2019-2020.

We wish them best of Luck for their future endeavors with the section team.

EVENT NAME

43) PSYWSC'19

Team IEEE Student Branch UET Taxila has once again by the Grace of Almighty shown its worth throughout Pakistan. This year at Pakistan National Congress (PSYWSC'19) held at IBA Sukkur SB UETT has successfully secured 4 out of 8 All Pakistan IEEE Student awards and won 4 out of 6 competitions.

Competitions won:

- 1. SB Video Competition. (Winner)
- 2. SB Video Competition. (Runner Up)
- 3. Info graphics Competition.(Winner)
- 4. Poster Designing Competition. (Winner)

EVENT NAME

44) **ELEKTRA 19.2**

IEEE Student Branch UET Taxila Organized different technical and non-technical events in full week of sports. From physical activities to brain storming everything was arranged. This event not only boost technical skills of participants but also set them to handle multi-tasking.

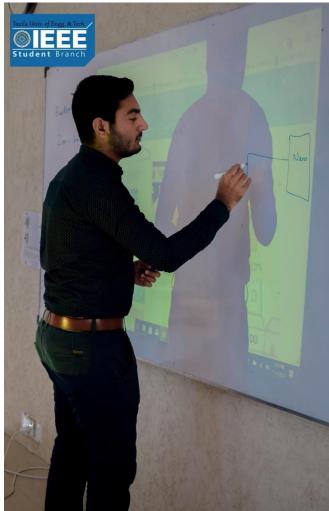

Aftermath, one of the most techno-squealing and provocative events of the year ELEKTRA 19.2, we bring to you an album chock-full with moments that are an embodiment of time worth cherishing, happiness, and affinity that anyone can expect from a stupefying hodgepodge we presented to you in the sports week 2019.

Some more pictures are attached underneath. IEEE Student Branch UET Taxila Organized different technical and non-technical events in full week of sports. MS office workshop was arranged.

This provided students academically enhance their learning. A lot of participants come to know everything first that made this workshop successful. Different modules were taught, and competition were arranged.

GENERAL INFORMATION

The details of the ELEKTRA'19.2 are us under.

| EVENT SCOPE | Student Branch |
|-------------------------|-------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 250 |
| TOTAL IEEE PARTICIPANTS | 50 |
| DATE | November 12-14, 2019 |
| SUB MODULES | Elektra'19.2 consisted of various Sub Modules. |
| GOALS | Sports week was held in UET Taxila. Both Technical and Non- |
| | Technical activities were arranged by IEEE. A great set of |
| | opportunities was provided by IEEE and achieved all of them |
| | successfully. |

ALBUM LINK: https://www.facebook.com/media/set/?set=a.2567285020007539&type=3

45) AWARDS DISTRIBUTION CEREMONY

IEEE Student Branch UET Taxila organized "Awards Distribution Ceremony" after sports week. To all those participants who showed their skills and talent, won successfully different competitions were awarded with prizes along with certificates. This also enhanced the interest of others to participate for future events. IEEE set a whole new era of achievement towards the betterment of student learning and skill setting.

GENERAL INFORMATION

The details of the ELEKTRA'19.2 are us under.

| EVENT SCOPE | Student Branch |
|-------------------------|--------------------------------------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 70 |
| TOTAL IEEE PARTICIPANTS | 40 |
| DATE | November 21, 2019 |
| GOALS | Awards distribution was held after closing of events. To appreciate winners and motivate others. |

46) ROBOTICS WORKSHOP

IEEE Student Branch UET Taxila organized Robotics workshop. The importance, features, working and scope of this fast development technology was highlighted. Participants were encouraged and supported to pursue their interest in robotics. This workshop brings a new turn in thinking of participants and motivation towards robotics.

GENERAL INFORMATION

The details of the ELEKTRA'19.2 are us under.

| EVENT SCOPE | Student Branch |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 70 |
| TOTAL IEEE PARTICIPANTS | 40 |
| DATE | November 22, 2019 |
| GOALS | Importance, working, features were described about Worldwide emerging technology of Robotics. This motivated and made participants to set high skill achievements. |

ALBUM LINK: https://www.facebook.com/media/set/?set=a.2613905118678862&type=3

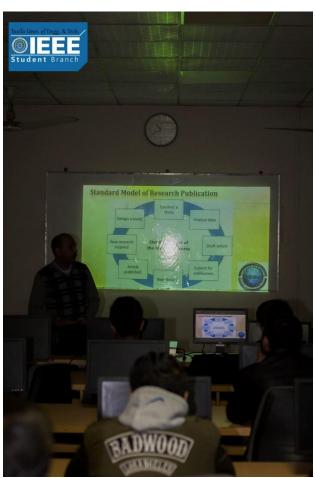

EVENT NAME

47) <u>SEMINAR ON RESEARCH METHODOLOGY</u>

TEAM IEEE STUDENT BRANCH UET TAXILA has arranged a seminar on "RESEARCH METHODOLOGY" The broader objectives of the seminar were to provide an opportunity for research students to get an insight of research techniques which help them in their research endeavors. In each part attention was drawn to theoretical methodological foundations, the application and practice with prescribed materials, and reflections of students on their own research design, material collection, and analysis procedures.

GENERAL INFORMATION

The details of the ELEKTRA'19.2 are us under.

| EVENT SCOPE | Student Branch |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------|
| EVENT TYPE | Non-Technical Event. |
| TOTAL PARTICIPANTS | 50 |
| TOTAL IEEE PARTICIPANTS | 30 |
| DATE | December 13, 2019 |
| GOALS | Importance, working, features were described about Worldwide emerging technology of research. This motivated and made |
| | participants to set high skill achievements. |

I. SARMAD NOOR

EX-CHAIR IEEE STUDENT BRANCH UET TAXILA

I am extremely gratified to be a part of IEEE Student Branch UET Taxila. I was honored to lead the team for a year and the experience cannot be defined in the words. Supporting seniors, motivated juniors and my fellow members are worth to be mentioned here. Looking at the recognition, all of us are aware of the achievements that we had at section, national and regional level, in our tenure as well as in the past. The team IEEE has a lot to offer to you, no matter you are looking for technical grooming, personality development or a boost in your social circle. It has been a hard good BYE to team IEEE, but its life and you got to move on. I hope the junior will keep up the volunteering and the legacy of the team will keep on continuing.

In the last I would just like to add that we don't live once, we live every day. Every day is a new chance. If you have the will, you can change your life any day you start to work hard in the right direction.

This is Ex-Chairperson IEEE Student Branch UET Taxila, Signing off.

Regards M. Sarmad Noor Chairperson 18-19

II. MISBAH HASSAN ABBASI

EX-CHAIR IEEE WIE AFFINITY GROUP

There was a time, I was uncontended and ungrateful for most of the things in my life. I almost lost the true meaning of inner satisfaction, peace, and harmony. This ultimately led me unhappiness, sadness sometimes aggression too. I didn't imagine that I would be here today alive, satisfied, happy and cherishing moments with those around me. This all started the moment I realized my self-worth, the moment I started believing that I wasn't born to be like that, the moment I understand the true meaning of faith in Allah. It took vears for me to deduce that selfcontentment and happiness are tightly integrated with two things. Firstly, knowing one's own worth. Secondly, faith in Almighty. This brought a huge positive change in my vision and perception. I started achieving what I once strived for. I wonder how Allah bless us with right things and people at the right time. I started believing that things written for me will come to me no matter what.

Only acknowledging self-worth, belief, patience, and gratitude is required. Gracefully letting go of relationships, thoughts, energy, and people that destroy my willpower and peace has made me to stand firmly when i am sinking. Forgiving people around and forgiving my own self has made life gentle. It has taught me to go with imperfections around me. It has reminded me to smile over what I have while keeping my eyes on where I am going.

This is your IEEE WIE AFFINITY GROUP CHAIR, Signing off.

Misbah Hassan Abbasi B.Sc. Electrical 2015-19

III. ABDUR RAFAY

EX-CHAIRPERSON IEEE PES STUDENT CHAPTER UET TAXILA

Assalam o Alaikum!

My name is Abdur Rafay and I am the Ex-Chairperson of IEEE PES Student Chapter, UET TAXILA. My message to all juniors is to study hard, engage in extracurricular activities and struggle consistently to achieve your set targets. In IEEE, the main important thing is volunteering. Don't let yourself lower because of others attitude. Play your part honestly and try to do work in teamwork. At the end I just want to say, enjoy every day to its fullest.

Make memories in all these 4 years (5,6,7 years). But do justice with your life. Enjoy kr rahay ho to parhai bhi utni hi krna 50-50.

Baaqi ghabrana nai ha. Sb set hojae ga but time lgay ga.

May Allah bless you all.

Ameen!

This is your IEEE PES Student Chapter UET Taxila CHAIR, Signing off.

Abdur Rafay B.Sc. Electrical 2015-19

IV. NIDA KHALID

EX-ACADEMIC CORDINATOR IEEE WIE AFFINITY GROUP

Back in 2015, when I was in my first year pursuing my Engineering degree, I came across a poster regarding IEEE Inductions Drive for freshmen UET Section, that was posted on a wall in our Institute. I always had this dream to be a part of something big and IEEE is big! I therefore decided to join. Through my dedication and hard work, I was designated as an academic coordinator in our student branch. I organized, managed, and supervised technical various events and workshops at our institute. I than became international membership of IEEE, which I believe would be of great help in my professional life, in near future. Besides, my technical work in society, I gave a part of me to the society -my art. Besides managing the workshops and stuff, I did various artwork(being part of decor team) in the name of IEEE. Being engineering student, you never get to breathe without quizzes, assignments, projects, mids, finals and being a member of society where you have to

attend dozens of meetings, seminars, workshops alongside. Despite the busy schedule I never thought of completely skipping art, as for me it's a source of satisfaction. IEEE provided me the platform(I needed) to express myself through art. I served IEEE as both an engineer and an artist. Through volunteering in IEEE, I gained self- confidence and a certain force that keeps me pushing towards and very close to my goals in life.

Message to share:

Start somewhere and your journey will be wonderful!

Regards, Nida Khalid Academic Coordinator IEEE WIE AG UET TAXILA

V. HAIDER ALI

EX-CHAIRPERSON IEEE CES STUDENT CHAPTER UET TAXILA

Assalam o Alaikum!

My name is Haider Ali and I'm from Electronics dept and belong to Sialkot.

I will take this opportunity to give my best wishes and few pieces of advice to the juniors who just joined. Firstly, study hard but actively participate in extra circular activities as well. Every day do something that will inch you closer to a better tomorrow and from my stance I must say that each day provides us a chance to make a better future for ourselves and others. And for that purpose, joining society plays an expeditious role. It enhances your exposure and communication skills.

At last I suggest you enjoy the most beautiful time span of your life here in UET, make memories and try to serve the surrounding because happiness doesn't result from what we get but from what we give. Believe on yourself and believe in philosophy of give more and receive more. Best wishes for all of you.

Regards HAIDER ALI EX-CHAIRPERSON IEEE CES STUDENT CHAPTER

IEEE DOCUMENTATION TEAM 20-21

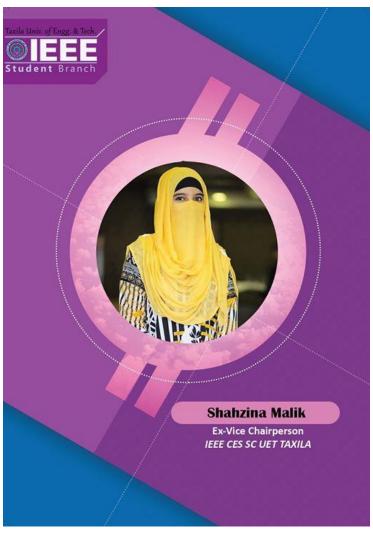

VI. SHAHZINA MALIK

EX-VICE CHAIRPERSON IEEE CES STUDENT CHAPTER UET TAXILA

It was great time with IEEE CES UET Taxila. It's the first platform where from I started and now it's time to leave it. Sad but nothing lasts forever so I would like to share some words with all my juniors.

The only way that we can live, is if we grow. The only way that we can grow is if we change. The only way that we can change is if we learn. The only way we can learn is if we are exposed. And the only way that we can become exposed is if we throw ourselves out into the open. Do it. Throw yourself. Learn to take risk and give yourself a chance to fulfil your dreams. Do what you want and never let anyone to impose something on you because you have only one life. So, enjoy every moment of your life. You have four years to build yourself do not waste this time and work on making yourself your ideal personality. And the most important the purpose of our life should be to live for others. It's not about serving on very large platforms, it can be started from bringing a little smile on someone's face, to feel someone's pain

and situation. Let your surroundings get affected with your positivity.

I would like to conclude with the words, "Do at least one thing in your life for our beloved Pakistan." ALLAH bless you all and Good luck to all of you for your future.

Regards SHAHZINA MALIK EX-VICE CHAIRPERSON

AWARDS AND ACHIEVEMENTS

The following awards were won by Team IEEE SB UET Taxila.

- SB Video Competition. (Winner)
- SB Video Competition. (Runner Up)
- Info graphics Competition.(Winner)
- Poster Designing Competition. (Winner)
- Best SB Leadership Award
- Outstanding WIE Student AG Award
- Best Student Volunteer Award.
- Most valuable Technical Society Student Chapter Award.
- Best student volunteer award
- Best Wie volunteer award
- Best PES chapter award
