Instruction for authors for publishing in Technical Journal UET Taxila

General
Papers may be submitted any time throughout the year. After receipt of paper it will be sent to concerned referees, at least one from a technology advanced countries. Papers reviewed and declared fit for publication will be published in the coming issue. The journal is quarterly publication, having four issues annually. A soft copy of paper must be submitted through online submission system by using the following link:-
http://tj.uettaxila.edu.pk/index.php/technical-journal/about/submissions
Authors are required to read the following carefully for writing a paper.

Manuscript Preparation
Text should be type-written with M.S word, Times New Roman Font size 10, at single space and with margins as 1 inch top, 1 inch left, 0.5 inch right, and 1 inch bottom, on an A-4 size paper. The manuscript should be compiled in following order:-

Title Page
The Title page should contain:
Paper title
Author names and affiliations
Postal and email addresses
Telephone/Cell and fax numbers
One author should be identified as the Corresponding Author

Abstract
An abstract up to maximum of 200 words should be written in the start of paper. The abstract should give a clear indication of the objectives, scope, methods, results and conclusions.

Keywords
Include at least five keywords (Title Case) in a separate line at the end of the abstract.

Body of the Paper
Body of the paper may include introduction and literature review, materials and methods, modeling/experimentation, results-discussions and conclusions etc.

Define abbreviations and acronyms the first time they are used in the text, even after they have already been defined in the abstract. Do not use abbreviations in the title unless they are Unavoidable.
Use zero before decimal places: “0.24” not “.24”.
Avoid contractions; for example, write “do not” instead of “don’t.”
If you are using Word, use either the Microsoft Equation Editor or the MathType add-on (http://www.mathtype.com) for equations in your paper (Insert | Object | Create New | Microsoft Equation or Math Type Equation). Number equations consecutively with equation numbers in parentheses flush with the right margin, as in (1). Refer to “(1),” not “Eq. (1)” or “equation (1),” except at the beginning of a sentence: “Equation (1) is ....” Symbols used in the equations must be defined before or immediately after it appears. Use SI units only.

Originality
Only original contributions to Engineering, Science and Management literature should be submitted for publication. It should incorporate substantial information not previously published.

Length
Research paper should be consisting of 5-8 pages as per specifications given above.

Accuracy
All the technical, scientific and mathematical information contained in the paper should be checked with great care.

Figures
All figures should be at least 300 dpi in JPG format. It is to be also ensured that lines are thick enough to be reproduced conveniently after size reduction at the stage of composing. All figures (graphs, line drawings, photographs, etc.) should be numbered consecutively and have a caption consisting of the figure number and a brief title or description of the figure. This number should be used when referring to the figure in the text. Figure may be referenced within the text as “Fig. 1” etc.

Tables
Tables should be typed in a separate file using M.S. Word ‘table’ option. All tables should be numbered in Roman numerals consecutively. Tables should have a caption in Upper Case, must be centered and in 8 pt. consisting of the table number and brief title. This number should be used when referring to the table in text. Table should be inserted as part of the text as close as possible to its first reference.
When referencing your figures and tables within your paper, use the abbreviation “Fig.” Even at the beginning of a sentence: “Fig. 1. Table 1."
Tables should be numbered with Roman Numerals.
Acknowledgments
All individuals or institutions not mentioned elsewhere in the work who have made an important contribution should be acknowledged.

References
Reference may be cited with number in square brackets, e.g. “the scheme is discussed in [iii]”. Multiple references are each numbered with in bracket, e.g. the scheme is discussed in [iv-vii]. Do not use “Ref.” or “reference” except at the beginning of a sentence: “Reference [xi] illustrates...”

Please do not use automatic endnotes in Word, rather, type the reference list at the end of the paper using the “References” style. Reference list/bibliography and in text references, both will be cited in roman alphabet. "Within text citations must be in chronological order in the first appearance. The subsequent appearance(s) of the same may be random as per need of the paper.”
