

**TEACHING TIMETABLE SUMMER SEMESTER 2022**

|                  |          | <b>From</b>  | <b>08:30</b> | <b>09:20</b>                                     | <b>10:10</b> | <b>11:00</b>    | <b>11:50</b>                                     | <b>12:40</b>                               | <b>01:30</b> | <b>02:20</b> |
|------------------|----------|--|--------------|--|--------------|-----------------|--|--|--------------|--------------|
|                  |          | <b>To</b>  | <b>09:20</b> | <b>10:10</b>                                     | <b>11:00</b> | <b>11:50</b>    | <b>12:40</b>                                     | <b>01:30</b>                               | <b>02:20</b> | <b>03:10</b> |
| <b>MONDAY</b>    | Course   |  |              |  |              | <b>Tutorial</b> | Mechanics of Materials/<br>Engineering Mechanics |  |              |              |
|                  | Location |  |              |  |              |                 | Classroom # 4/ Classroom # 3                     |  |              |              |
| <b>TUESDAY</b>   | Course   | Industrial Automation and<br>Control   |              | Mechanics of Materials/<br>Engineering Mechanics |              | <b>Tutorial</b> | Industrial Automation and<br>Control             |  |              |              |
|                  | Location | Classroom # 4  |              | Classroom # 4/ Classroom # 3                     |              |                 | Classroom # 4                                    |  |              |              |
| <b>WEDNESDAY</b> | Course   | CAD & Modeling /Work Study & Methods<br>Engineering/Manufacturing Processes    |              |  |              | <b>Tutorial</b> | Metrology & Statistical Quality<br>Control       |  |              |              |
|                  | Location | Management Systems Modeling & Simulation<br>Lab/ Classroom # 4/ Classroom # 3  |              |  |              |                 | Classroom # 3                                    |  |              |              |
| <b>THURSDAY</b>  | Course   | CAD & Modeling/ Work Study & Methods<br>Engineering/Manufacturing Processes    |              |  |              |                 |  | Metrology & Statistical Quality<br>Control |              |              |
|                  | Location | Management Systems Modeling & Simulation<br>Lab// Classroom # 4/ Classroom # 3 |              |  |              |                 |  | Classroom # 3                              |              |              |
| <b>FRIDAY</b>    | Course   |  |              |  |              |                 |  |  |              |              |
|                  | Location |  |              |  |              |                 |  |  |              |              |

| <b>Course Code</b> | <b>Course Title</b>                     | <b>Type</b> | <b>Credit Hours</b> | <b>Course Teacher</b> | <b>Lab Teacher</b> |
|--------------------|---|-------------|---------------------|-----------------------|--------------------|
| IE-313             | Metrology & Statistical Quality Control | Theory      | 2+0                 | Dr. Khurram Ali       | ---                |
| IE-318             | Industrial Automation and Control       | Theory      | 2+0                 | Dr. Salman Hussain    | ---                |
| IE-315             | Work Study & Methods Engineering        | Theory      | 3+0                 | Engr. Zahid Rashid    | ---                |
| IE-211             | Engineering Mechanics                   | Theory      | 2+0                 | Engr Aisha Tayyab     | ---                |
| CS-102             | Computer Aided Design and Modelling     | Lab         | 0+1                 | ---                   | Dr. Wasim Ahmad    |
| IE-215             | Mechanics of Materials                  | Theory      | 2+0                 | Engr. Turab Haider    | ---                |
| IE-214             | Manufacturing Processes                 | Theory      | 3+0                 | Engr. Muhammad Jawad  | ---                |
