

Annexure R (Engr. Nazeer Anjum)

List of Publications International Conferences

1. Monitoring of Crack Growth Behavior in Aerospace Grade Materials Using Notched Specimen at 6th International Bhurban Conference on Applied Science & Technology.
2. Structural Design and Optimization of composite Wind Turbine Blade Under Fatigue Loading at 7th International Bhurban Conference on Applied Science & Technology dated January 11th – 14th , 2010

List of Publications National Conferences

1. Usage of Crack Growth Prediction Software Codes for Life Assessment of Aerospace Structures at FEMS (22-23 October 2007) UET Taxila.
