Allotment Policy 2023-24 (Sessions 2021)

This year, the Fall-2023 semester is going to start for all sessions on the same date that is 21st August 2023. This is in contrast to the previous years' practice where the first semester (new entry) used to lag behind the other sessions for a couple of weeks. For this reason, the hostel allotment 2023-24 has to be done before summer vacations. In this regard, the following schedule will be followed.

ALLOTMENT SCHEDULE FOR SESSION 2021	
Submission of Online Applications / Data	26-06-2023 to 03-07-2023
Submission of Printed Application Forms	03-07-2023 to 04-07-2023
Applications Processing / Scrutiny	05-07-2023 to 06-07-2023
Display of List of Allotted Rooms	07-07-2023
Deadline for shifting to new allotted room	07-07-2023
Deadline for submission of hostel dues	As notified by dues section
