No. UETT/REG/2021/2230

Dated: 20.05.2021

**CIRCULAR**

In pursuance of decision made by the NCOC Government of Pakistan, Higher Education Commission Islamabad's guidelines and in continuation to previous notifications and reports related to recent surge in COVID-19 cases, the University has taken immediate precautions and is working continuously to build on these precautions to reduce the risk, following guidelines are devised:

**Postgraduate Studies:**

- Classes will continue to be held on campus as per academic schedule w.e.f. May 24, 2021 in strict compliance with directives of Government including SOPs and other requirements.

**Undergraduate Studies:**

- The students of intake batch 2017 will continue their studies on campus w.e.f May 24, 2021 while rest of the batches will continue their studies via online mode as per Academic Calendar for Spring – 2021 semester in strict compliance with directives of Government including SOPs and other requirements.
- As part of gradual reopening of the University, to allow intake batch 2018 and other batches for resuming academic activities on campus, next review meeting will be held on June 15, 2021.

**General Guidelines:**

- All students are strictly warned to follow all the SOPs. Gathering of students are strictly prohibited and any violation will lead to immediate expulsion from the Campus and initiation of disciplinary proceedings as per University rules.
- In case of issuance of future directives related to closure of University, all resident students shall immediately vacate their rooms completely as hostels may be turned into quarantine centers, if required, subject to the directives of District Administration and Government.
- Students shall keep track of official email accounts as well as keep visiting University official website as official announcement will be displayed on University official website in due course of time.
