1 x MSC Positions for HEC Funded "Swarm Robotics Lab" under National Centre of Robotics and Automation (NCRA)

Applications are invited from Pakistani Nationals for **funded MSC positions** for the HEC Funded "Swarm Robotics Lab" under National Centre of Robotics and Automation. The lab is established at the Computer Engineering Department, University of Engineering and Technology Taxila, Pakistan and positions are available for 12-18 months maximum.

Qualifications:

At least BS/BE degree in Computer Engineering/Electrical Engineering/Electronics Engineering/Mechatronics Engineering/Computer Science or similar discipline (16 years education) from HEC/PEC recognized universities/institutes; preferably with experience of research and development in Public or Private Sector.

The candidate must be enrolled in any of the above-mentioned MSc program at UET Taxila.

The key research areas are: Embedded Systems/ROS/Circuit Design/Hardware Programming.

Candidates having qualifications above the minimum requirement and having knowledge of the abovementioned research areas with prior experience of working will be preferred.

Fixed Stipend: Rs. 20,000/- per month (All-Inclusive) and Full Fee waiver.

It is clarified that the above positions are for purely Ad-hoc appointments against the aforesaid project for the maximum period specified.

Application Procedure:

I.	Interested candidates may submit their CV along with scanned copies of Academic Transcripts and CNIC via email to (**Engr. Ahmed Husnain Johar,** Business Development Manager, Swarm Robotics Lab), **ahmed.husnain@uettaxila.edu.pk** with subject titled "*Application for MSc Position @ SRL_NCRA*"
II.	No TA/DA will be admissible for appearing in the interview.
III.	Only short-listed candidates will be called for an interview.
IV.	To be considered, applications must be submitted by **Friday, 30th April 2021**
